

Furthering your education

Sky Lakes Medical Center values our talented staff and we invest in their career goals through our career development and education programs.

We also have programs that encourages and supports people who want to start their health care career by addressing the barriers of entry to the field for many, such as the cost of education and time committed.

Whether you're current Sky Lakes staff or future staff, we are here to support you.

Careers at Sky Lakes

Sky Lakes Medical Center is one of the Basin's leading employers. We have jobs for people of all backgrounds and skills, not just clinical positions. If you want to begin your career with Sky Lakes but don't know where to start we can connect you with a recruiter to help you find where you fit.

Earn & Learn Programs

CNA Training Program

The nursing assistant program is done in partnership with Klamath Community College. The cost of the program and books is completely covered by Sky Lakes Medical Center. Once you have been licensed by the Oregon State Board of Nursing you will be offered employment at Sky Lakes.

CMA Apprenticeship Program

Through the Earn & Learn Program, you can earn between \$17 and \$25 an hour as a full-time benefited Sky Lakes employee. You participate in a one-year apprenticeship program that includes 2,000 hours of practice with online courses and labs in the career pipeline of your choice (clinic nursing, hospital nursing, laboratory).

Unit Ambassador Program

The Unit Ambassador Program for highschool students who want to explore working in a hospital in a variety of departments and get paid for their time. This program lets students get hands-on experience in jobs that keep our hospital running. The program is 10 weeks long, 16 hours a week with 1-hour weekly meetings.
